The action verbs and phrases used to describe a task or performance are important. The description must detail the features of a successful performance—what each student should be able to do, show, or otherwise apply following a lesson or unit (do not use negative language that tells what a student is not doing). The rest of the rubric determines whether this expectation has been met.

Fifth grade often introduces students to opinion-oriented writing like editorials. While a piece that expresses an opinion might sound simple on the surface, students must learn that an editorial combines a clearly stated main point with solid research and examples. You can help your fifth-graders grasp the concepts of a well-written editorial through activities that creatively examine its ...
