Fifth Grade Writing Ideas— During fifth grade, many pre-teen students struggle to find their own maturity, stuck in a place slightly between childhood and the teenage years. One of the best gifts you can give your class is the opportunity to write with daily journal prompts. When students journal, they experience the joy of unpressured time to simply sit down and explore their thoughts and ...

Web of Science does not depend on the Journal Impact Factor alone in assessing the usefulness of a journal, and neither should anyone else. The Journal Impact Factor should not be used without careful attention to the many phenomena that influence citation rates – for example the average number of references cited in the average article. The Journal Impact Factor should be used with informed ...
