'Capitalism: Money, Morals and Markets', by John Plender ...

Capitalism has lifted millions out of poverty. Under its guiding hand, living standards throughout the Western world have been transformed. Further afield, the trail blazed by Japan is being followed by other emerging market countries across the globe, creating prosperity on a breathtaking scale. And yet, capitalism is unloved. From its discontents to its outright enemies, voices compete to point out the flaws in the system that allow increasingly powerful elites to grab an ever larger share ...
