These are going to change from time to time, for needs will inevitably arise which no one can predict. The deacon leaders in our congregation will want to meet these needs." This revision proves the accuracy of that forecast. Ministry opportunities have presented themselves to our congregation since the initial writing of the handbook, and also new methods by which our servant leaders go ...

The third fundamental principle about deacons is that the needs of the church change over time and thus what deacons are called to do is to change with those needs. It is clear that helping to run the primitive church in Jerusalem is no longer needed. But history shows that over time deacons have performed in many different roles. One of the ...
