K57 Manufacturer ID: K57. If your application is a little more heavy duty, or calls for secondary hydraulic support, the K57 may be just what you're looking for. This powerful unit has many different configurations that have been developed to handle the demands of many different kinds of riding mowers and larger lawn tractors.

### [Tuff Torque Hydro Transmission Removal and Service Video ...](#)

I emailed Tuff Torq and they said either will work fine but the J20C HYGARD will work better in the cooler months. I went with Napa J20C Heavy duty tractor and transmission fluid. The transaxle is faster, quieter and smoother now that I have changed it so I am happy. Maybe next time I will try the 5w-50 and see if it makes any difference.

Tuff Torq K66 Service This oil change is at a total of 190 hrs on the clock and 127 hrs since the last K66 oil change on mine. Before starting, I recommend, 1) An impact wrench, air is fine, but if you have an air compressor you probably have one already, just remember to not use too much force, the top fan pulley nut is 45 foot lbs. A cordless impact at 1/2" will be fine, 3/8" I'm not ...
