Urban sketching--the process of drawing on the go as a regular practice--is a hot trend in the drawing world. It's also a practical necessity for creatively minded people in a busy world. In this aspirational guide, self-taught French artist France Belleville-Van Stone emboldens readers to craft a ritual of their own and devote more time to art, even if it's just 10 minutes a day. She offers ...

A guide to Drawing on the Go". Like his other book, it's an easy read, packed full of beautiful sketches. But for anyone who has already purchased or read Urban Watercolour, I'd probably give this one a swerve unless you're a real beginner. It is full of practical tips about art supplies, composition, different drawing subjects, etc but much more basic than his other book.
