They did nothing of the sort, and their third album in three years, *Midnight Memories*, rolled off the production line right on time for the holidays. Anyone expecting there to be any kind of drop in quality, or early warnings that the group had begun their inevitable decline, will be happily surprised that not only does the album satisfy the established quota of thrilling modern pop tracks and ...

"And midnight memories are where most of the memories of this record were made," Bunetta continued. "[It] was between midnight and 5 in the morning. We have so many memories of just being in the studio or being after a show or being in the back of the bus or going to one of the guys' places and hanging and writing. Or, [it's also] just when you're young and that's when you kind of have all ...

And the One Direction you know from two first records aren't posers, because they were a pop band recording pop songs. But when you claim to have grown up, when you say you started writing your own material then I expect you to sound like you and not like anybody else. And 'Midnight Memories' has absolutely nothing to do with originality. The lyrics written by the boys are stupidly simplistic ...

The thoughts you loved to think about, the memories you wanted to hold up to the light and view from every angle--it suddenly seems a lot safer to lock them in a box, far from the light of day and throw away the key. It's not an act of bitterness. It's an act of self-preservation. It's not always a bad idea to stay behind the window and look out at life instead, is it?" ? Allyson ...
