In June 2013, new immigration policies will take effect in the Netherlands through the adoption of two new laws, the Modern Migration Policy Act and the National Visa Act. One key feature of the Modern Migration Policy Act, which amends the Aliens Act 2000, is a new emphasis on sponsorship. Another significant feature is the streamlining of the resident permit application process by combining ...

The Law on integration (Dutch: Wet inburgering) obliges most immigrants who are not citizens of the EU, Switzerland, Turkey, or the European Economic Area countries to learn Dutch and pass an exam within a few years of their arrival in the Netherlands. Since first appearing in draft form as part of a proposal in the House of Representatives, the exam has proven to be highly controversial.

'Strategic goods' refers to both military goods (e.g. firearms) and dual-use goods. As the name suggests, dual-use goods not only have a civilian use; they can also be used to produce weapons of mass destruction, ballistic missiles or conventional military goods. To prevent misuse, the export of strategic goods and services requires a licence. A licence application will be denied if the ...
