Personification is a literary device that uses the non-literal use of language to convey concepts in a relatable way. Writers use personification to give human characteristics, such as emotions and behaviors, to non-human things, animals, and ideas. The statement "the story jumped off the page" is a good example of personification.

[Personification | Teaching Resources](#)

Personification is a literary device in which human attributes and qualities are given to nonhuman or inanimate objects. For example, a sentence may say, "the old hardwood floor groaned under the weight of the heavy table." In this sentence, the hardwood floor is personified, being given the ability to groan like a human.
