What Is a Planning Agenda? A planning agenda is a list of scheduled activities or items to be discussed in a planning meeting. This agenda is one of the important documents in a productive and effective meeting agenda. A planning agenda provides an outline for the planning meeting, communicates important information, can be used as a checklist to identify the information that is covered, and ...

The third item on the agenda should list "Approval of Minutes" along with the date of the most recent meeting. In most cases, board members should have received a copy of the minutes prior to the meeting. If they have not contacted the secretary prior to the meeting with corrections or changes to the minutes, they have to opportunity to make them during this item on the agenda.
