An employer needs to follow the guidelines outlined in the Human Rights Act and respect the private life of an employee. This means that throughout the working day, employees are allowed by law to use telephone and email for private purposes, not only during break times but throughout the day. Of course there need to be restrictions on this, and employers tend to expect that an employee's ...

1. Your own personal information, unrelated to work, is NOT confidential. – Information related to your own personal life, not related to your work, including your notice, family, hobbies, education, certifications, and civic and charitable participation, are clearly not subject to your duty of confidentiality to your employer. And, if you ...

[Warning Letter to Employee for Disclosing Confidential Info.](#)

Confusion exists with confidential designation. By Katie Kaneko, President. During the course of our classification work we often find that within agencies the term "confidential employee" gets misconstrued to suggest that anyone who is exposed to confidential or sensitive, private information should be designated as confidential.

[Confidentiality - Definition, Examples, Cases](#)

Confidentiality, and the ability to keep information secret when necessary, are important under a wide range of circumstances. There may be many times, both at home and at work, when someone tells you something, or you become aware of information, that should not be spread further.
