'P.S. Your cat is dead' by James Kirkwood. Funny I still remember picking it up from a Supermarket bookshelf in Jakarta. You know the kind, the latest potboiler from Grisham, Rosewater from Cartland... So I didn't expect much but of course it had a cat in the title and I was clean out of reading material, so I picked it up. Was I ever in for a surprise!

If you're afraid your cat is dead, check for signs of life by looking at its chest to see if it's rising and falling, which indicates breathing. You should also check to see if its eyes are open and its pupils appear larger than normal, which can be signs of death. Additionally, check your cat's pulse by placing 2 fingers on its femoral artery, which is on the inside of its thigh ...

Originally written in the early 1970s, P.S. YOUR CAT IS DEAD gathered dust as a playscript until author James Kirkwood (1924-1989), better known as co-author of A CHORUS LINE, rewrote the piece as a novel. It proved popular enough to prompt a stage performance, and the play underwent several revisions between 1975 and 1978. The play originally drew very mixed reactions from both critics and audiences in New York, but over time it made a name in regional theatre, particularly so ...

So which is PS Your Cat Is Dead? Guttenberg as Actor-Director shows his strengths as a mature, light handed artist. We expect to see the actor at work behind the mask, or the Director favor himself too much on camera, but no - the grubby, self absorbed attitude of the character draws us into the narrative and we believe it. This film will do very well among quality film buffs especially in San ...
