PS2 Repair Guide / Home / Games Books / Click to Preview. Author: Downloads: 5517. Pages: 7. Published: 10 years ago ... You might wonder why your PS2 isn't working. Well, if you're getting Disc Read Errors on multiple discs, all of which appear to be in good condition, then you most likely have one of two common problems. Either your laser is being obstructed by dirt and dust, or the ...

PS2 Repair. Thank you so much for the guide on ps2 repair! This guide saved me \$40 at my local gaming store to have the ps2 fixed. I have the same model that was covered in the guide (SCPH-30001) and it worked perfectly after cleaning the laser (which was grey because of all the dust, rather than blue). I also had to rotate the white disc near the laser to have dvds work. This saved me a total ...

you. Even if the guide does not fix your particular problem I have shown you how to get a working one for the price of a simple repair at most repair shops. Don't get hung up on getting YOUR PS2 fixed. Your goal should be to get a working PS2 and that's it. Sincerely, Mark Eastman FIRST THINGS FIRST

[PlayStation 2 Optical Drive Repair! - YouTube](#)

I purchased your manual, followed your procedures under "disk read errors", and now his PS-2 can read blue as well as all the others! The greatest part was he was happy when I told him it would only cost him \$40.00 for the repair. So after deducting your very reasonable price of \$19.95 for the repair manual, I have already made a profit of \$20.05! Now I am advertizing that I can repair PS ...
