Since the games i have were bought used most of them are disc only and the ones that did have cases didn't come with a manual. But do ps3 games even come with a manual? I own a ps vita and ps vita games do not come with manuals so i am wondering if this is the same case for the ps3? I bought tomb raider (used) and it came with a 2 page safety hazard warning pages with tomb raider picture on ...

Look for the Manual / Game Guide menu point in the menu; If the option does not exist in the menu, try again after you launched the game. For some games this menu point is only available if the game is active. Unfortunately many games don't offer a manual; Given the limited amount of game guides and manuals available, I think that the game industry itself is moving away from them. As many ...
