[Pair a Bluetooth Headset or Device with a PS3 system](#)

How to Make a PS3 Game Sound Go to the Bluetooth. Learn More ? The PlayStation 3 allows you to play video games, music and movies on your home television. If you own a compatible USB headset, you may wish to set this as the output device so all sound is played through the headset. This is a good option for when you want to watch movies or play games without the sound disturbing other people ...

[Suchergebnis auf Amazon.de für: headset ps3](#)

I've actually since purchased headsets of another brand for both me and my wife due to Philly's anti-cell driving laws so i can leave the PS3 headset at home. I docked a star because unlike many on the Playstation Network, i use the mute button on my headset if i'm going to talk to someone else in the room or yell across my apartment rather than confuse/deafen the other players.
