### [Reinforcement Schedules Worksheet Answers](#)

Schedules of Reinforcement & Answers I have something a little extra-special for Tuesday 7 February's class: it is a series of quizzes and handouts that should reinforce the material and introduce new material. To help your poor old sub on Tuesday 7 February, someone should volunteer to distribute the quizzes and handouts on the schedule I've given them. Basically it is just start with the ...

To determine the schedule of reinforcement being used, ask yourself: 1. Is time the major factor that causes a favorable outcome (reinforcement) or is it repetition of responses? 2. If time or the needed repetition of responses is constant or patterned, it is fixed; if the time or repetition of responses is random or intermittent, its variable. Write completely fixed interval (FI), fixed ratio ...

### [Reinforcement Schedules Worksheet Answers](#)

Reinforcement schedules take place in both naturally occurring learning situations as well as more structured training situations. In real-world settings, behaviors are probably not going to be reinforced every time they occur. In situations where you are intentionally trying to reinforce a specific action (such as in school, sports, or in animal training), you would follow a specific ...

I use reinforcement worksheets for review or remediation. I will give students 10 minutes to answer the questions on their own while I circulate in the classroom. Eventually, I pick someone to go to the board and write in the answers as we go over them. Students love to write on the whiteboard and sometimes this is an incentive for them to try harder to complete it without help. (I only choose ...
