

STUDENT MATH JOURNAL ANSWERS

Dec 05, 2020

[Student Math Journal Answers](#)

Most students think of math as a series of operations they must compute to find the correct answer to a number sentence or word problem. Initially, math journaling can be very uncomfortable for students who struggle to expand their definition of "math" or "math work." Often, these mental barriers need to be broken down before the real thinking can even begin. Here are the highlights of ...

[Big Ideas Math Journal Answers - atcloud.com](#)

Math journals, or problem solving notebooks as they are sometimes referred to, are books in which students are often asked to record their strategy and thought processes, as well as solutions. While students learn how to "do" math, they must also learn how to articulate what they are learning.
