One of the most acclaimed books to be published in the last couple of years is the Man Booker Prize shortlisted novel, The Glass Room, by the British writer, Simon Mawer. It is a book with more than a passing relevance to the Czech Republic, as the hero is a building that stands to this day on the edge of the city of Brno.

The Glass Room is as much about art and architecture as it is about the people who live in the beautiful, modern, glass house on the hill. And also it is as much about lust as it is about love. Liesel - gentile - and Viktor - Jewish - Landauer, build a laboratorywhite and chrome house which during decades never ceases to amaze and inspire the people who visit it. It survives Nazi occupation ...

[The Glass Room - Simon Mawer | Knihy Dobrovský](#)

If glass could be woven into a delicate fabric, you would have before you the many refractions that the glass room generated in the characters' lives— their loves, secrets, daily rituals and chores, and fetes. The fabric would be as brilliant and scintillating as the actual room. This new "room/raum" is also the fabric that Mawer has woven into the poetic prose of this novel.

Rarely has a modern author made his or her point so eloquently and economically as Simon Mawer does in "The Glass Room". In this tale, the reader enters a world of ultra modern architecture in the form of a house built in a Czech town between the wars. This is no ordinary residence for the story it will tell about the Landauer family and its struggles to stay alive in athis part of Europe is ...
