A classic work of early Japanese prose, The Gossamer Years is an important example of the development of Heian literature, which, at its best, represents an extraordinary flowering of realistic expression, an attempt, unique for its age, to treat the human condition with frankness and honesty. A timeless and intimate glimpse into the culture of ancient Japan, this translation by Edward Seidensticker paints a revealing picture of married life in the Heian period.

Kager? Nikki (????, The Mayfly Diary) is a work of classical Japanese literature, written around 974, that falls under the genre of nikki bungaku, or diary literature. The author of Kager? Nikki was a woman known only as the Mother of Michitsuna. Using a combination of waka poems and prose, she conveys the life of a noblewoman during the Heian period.

Edward George Seidensticker (February 11, 1921 – August 26, 2007) was a noted post-World War II scholar, historian, and preeminent translator of classical and contemporary Japanese literature. His English translation of the epic The Tale of Genji, published in 1976, was especially well received critically and is counted among the preferred modern translations.
