This book is about the never ending trials and tribulations Shiro Miyazaki encountered during his short years remaining in his life. These are covered in his letters. This book contains 89 letters he wrote to two artist friends living in Seattle during these eight years . The letters were preserved by George Tsutakawa, who later became a professor of Fine Arts at the University of Washington and Dr. William S. Gamble, who later became a professor of Fine Arts as well as Art Education at ...
