

## YOUR GOD IS TOO SAFE MARK BUCHANAN

Oct 19, 2020

[Your God Is Too Safe Mark Buchanan](#)

Your God is Too Safe by Mark Buchanan (Multnomah, 2001) This was my first book, and it's close to my heart. It's really a book of spiritual disciplines for Jonahs: God-evaders who want to become God-chasers.

I hope this review will help you chose to read Your God is too safe. I was first introduced to Mark Buchanan's books in 2007 by my best friend Judy, who lived in Canada. She has now changed addresses and is living whole and cancer free with Jesus. But she sent me "Your God is Too Small" at a critical time in my life when I was considering a major life change. His book was the plow turning up the soil for me to be willing to accept the seed of my decision, which has changed my life ...

Mark Buchanan's book is a testament to the reality of today's religious leaders who are more concerned with their own power and prestige than scripture. God is too safe and weak in the views that are expressed by various religions. This book is in line with the God of more than enough, the God of Love, the God of Salvation...

I just finished reading Mark Buchanan's new book Your Church is Too Safe. My view of the book is different from when it first came in the mail from Zondervan for me to review. When I first received the book I liked the cover, thought the concept was catchy but honestly figured that this would be a book that I would skim, gather a few nuggets and move on with life and ministry. If I'm being ...

About Your God is Too Safe. Here's a thoughtful, probing exploration of why Christians get stuck in the place of complacency, dryness, and tedium — and how to move on to new levels of spiritual passion! Buchanan shows how the majority of Christians begin their spiritual journey with excitement and enthusiasm — only to get bogged down in a "borderland" — an in-between space beyond the "old life" but short of the abundant, adventurous existence promised by Jesus. Citing Jonah ...

Lloyd James's effortless narration captures Buchanan's argument that God is neither safe nor predictable. Instead God takes risks; He is passionate, loving, and filled with purpose to help man become holy. With careful pacing and understatement, the author states that those who think God is safe live in "the borderland," a place without passion or freedom to grow spiritually. The second ...

Now I'm reading Mark Buchanan's "Your God is Too Safe." FYI: Uzzah was one of King David's priests in the Old Testament who God zapped/killed for touching the holy ark of the covenant when it's cart broke down: 2 Samuel6 David again brought together all the able young men of Israel—thirty thousand. 2 He and all his men went to Baalah in Judah to bring up from there the ark of God ...

[Listen to Your God Is Too Safe Audiobook by Mark Buchanan ...](#)

Your Church Is Too Safe calls the church back to being the God-established church. With surprising insights from Scripture, author and pastor Mark Buchanan shares how the church of today can recover the power and boldness of the early church, taking risks to love, serve, and communicate the life-changing message of the gospel.
